Invited Speakers:
Jenny Alongi  (Politecnico Turin, Italy)
Giovanni Camino  (Politecnico Turin, Italy)
Manfred Döring  (Fraunhofer LBF Darmstadt, Germany)
A. Geoff Gibson  (Newcastle University, UK)
Yuan Hu  (University of Science and Technology, Hefei, China)
Baljinder Kandola  (University of Bolton, UK)
Gregory T. Linteris  (National Institute of Standards and Technology, Gaithersburg, US)
Richard E. Lyon  (Federal Aviation Administration, Atlanta City, US)
Alexander B. Morgan  (University of Dayton, US)
Fabienne Samyn  (University of Lille, France)
Yu-Zhong Wang  (Sichuan University, Chengdu, China)
Carl-Eric Wilén  (Åbo Akademi University, Finland)

Topics:
Fundamental aspects in fire behaviour and fire retardancy
New flame retardants, novel flame retardant polymers
Fire retardancy of fibres, textiles, foams and thin foils/films
Protective coatings, fire protection
Flame retardancy of composites, composites in fire
Industrial application, novel methods
Environmental aspects, smoke, toxicity

First Announcement and Call for Abstracts
The submission of abstract papers is open until January 15, 2015.
We are looking forward to your abstract of 2 pages on the mandatory style template.
The abstract paper can be submitted via e-mail to FRPM15@bam.de. Please indicate the form of your presentation, oral lecture or poster.
Notification of acceptance will be sent out before February 28, 2015
Further information on the submission of abstract papers, on the FRPM 2015 conference, important dates and the style template are available under http://www.frpm2015.bam.de/en/home/index.htm

Conference Venue:
BAM Federal Institute for Materials Research and Testing, Unter den Eichen 87, 12205 Berlin - Lichterfelde, Germany
